 @gaby_razo

Bilingual Front-End Developer with proven 3+ years of experience at React, React-Redux, Redux-Saga, Javascript, CSS, Styled Components, Ant Design (as a UI library), and React Testing Library. Experience in E-commerce projects and Web Apps with a diversity of approaches. Passionate about learning and developing, capable to adapt to all challenging situations. Eager to continue to find ways to maximize my skills.

## Professional Experience

### SISSA Digital, Guadalajara, MX: *Front-End Developer*
01/04/2020 – PRESENT.
I am working as a Front-End developer. I work with ReactJs, Redux-Saga Styled Components, Git, Ant Design, CSS… I am used to collaborating with clients and finding software solutions for their problems.

## Projects

### Ecommerce React– Wizeline Academy – 2022
E-commerce made with **React Hooks, Redux-Saga, CSS, Styled Components, Ant Design, JavaScript**. Its main purpose is to simulate selling products using some Wizeline  API.
https://gilded-stroopwafel-06eea9.netlify.app
